* \$45 connection fee and other conditions apply. Offer is subject to change or cancellation without notice. Applicable taxes extra. For Digital Discount program details and how to redeem your \$5 monthly discount, visit freedommobile.ca/digitaldiscount. To be eligible for the \$5 monthly credit for 18 months, you must activate a new line on, complete a hardware upgrade on, or migrate to, an eligible plan (in-market Can-U.S.-Mex. 10GB and up plans) during the promotion period. The credits will start to be applied before tax prior to your 2nd full month of service. You will receive a \$5 credit off the monthly plan price for 18 months, as long as you remain active on an eligible plan. The promotion may not be combined with other in-market recurring discount offers (except for Digital Discount), unless otherwise indicated. Your service will no longer be eligible for the promotion if you change your rate plan to an ineligible plan. If you are not eligible for the promotion during any month, that credit will be entirely forfeited and cannot be made up. If you qualify for the credit in the months following the ineligible month, you will continue to receive the credit as applicable.
